RE: Surface Seismic Upgrade Proposal
Compliance Order No. IMD 2022-027
Sulphur Mines Field (8759), Calcasieu Parish, Louisiana

Dear Mr. Bradley:

The Office of Conservation's Injection and Mining Division is in receipt of the upgraded Surface Seismic Plan dated August 24, 2023 as required by Order No. 5 of the Compliance Order No. IMD 2022-027. This Office approves the plan with the following stipulations:

- a. The Commissioner of Conservation reserves the right to require additional surface seismic location(s) for the purpose of seismic monitoring, if determined to be necessary; and
- b. All recommendations made by MEQ Geo Inc. within the aforementioned plan must be applied to the scope of work.

Should you have any questions concerning this matter, please contact the Injection and Mining Division at (225) 342-5515 between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday.

Yours very truly,

Monique M. Edwards
Commissioner of Conservation
