INSTRUCTIONS

A single application will suffice for one, or combinations of, the operations below provided that if more than one operation is requested on one form, such work must be performed consecutively. If additional applications for Work Permits are necessary on any one well, each should be numbered 1, 2, etc. in the order requested. An original and one copy of this form will suffice for all work with exception of plug and abandon, for which an original and two copies are required.

Plug and Abandon (Provide Well Schematic)	7. Pull Casing	
2. Deepen	8. Change Zone of Selective Completion	
3. Perforate	9. Sidetrack New BHL (Existing Well)	
4. Squeeze	10. Deepen (Drilling)	
5. Plugback	11. Deepen (Existing Well)	
6. Sidetrack (Drilling)	12. Acidize / Stimulate	
13. Repair (Except ordinary maintenance ops)	14. Hydraulic Fracture Stimulation	

Mail all Work Permits to the Dist	trict where the well is located:		
Office of Conservation	Office of Conservation
