

Coast-It Notes

CONTACT US 

Greetings from the Louisiana Department of Natural Resources Office of Coastal Management.

Thursday, July 18, 2013

Yesterday, July 17th, between approximately 2:00 PM and 5:15 PM our server experienced technical problems which resulted in comments being re-posted to certain closed application files and notification of that comment was sent. The files in the affected range were from 2008 to 2011. Unless you have reactivated a 2008 to 2011 file, please disregard these comment emails. We apologize for any inconvenience this issue may have caused and our Department IT support staff is presently working to resolve this issue.

Coastit Notes is a publication of the Office of Coastal Management to inform permit applicants, the public and others of events and items that may impact them or their interaction with our office. This e-document is intended to improve customer service and awareness of OCM works and functions and includes announcements from all OCM divisions as issues arise.
