TRACT 45850 - De Soto Parish, Louisiana

A certain Tract of land, excluding the beds and bottoms of all navigable waters, belonging to and not presently under mineral lease from Desoto Parish School Board on September 11, 2024, being more fully described as follows: A certain parcel of land beginning at the Northeast corner of the Northwest Quarter of Section 28, Township 11 North, Range 11 West, DeSoto Parish, Louisiana, thence run South 175 yards, thence West 140 yards, thence North 175 yards, thence East 140 yards to the place of beginning, being the same lands as identified as Tract 21 on that certain Unit Survey Plat dated October 8, 2010, prepared by M.P. Mayeux Surveying & Boundary Consulting, LLC on behalf of Petrohawk Operating Company for the HA RA SUE in the Chemard Lake Field, DeSoto Parish, Louisiana, containing **5.06 acres**, more or less, all as more particularly outlined on a plat on file in the Office of Mineral Resources, Department of Natural Resources. The description is based on information provided by the State Agency regarding location and ownership of surface and mineral rights. All bearings, distances and coordinates, if applicable, are based on Louisiana Coordinate System of 1927, (North or South Zone).

NOTE: The above description of the Tract nominated for lease has been provided and corrected, where required, exclusively by the nomination party. Any mineral lease selected from this Tract and awarded by the Louisiana State Mineral and Energy Board shall be without warranty of any kind, either express, implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Should the mineral lease awarded by the Louisiana State Mineral and Energy Board be subsequently modified, cancelled or abrogated due to the existence of conflicting leases, operating agreements, private claims or other future obligations or conditions which may affect all or any portion of the leased Tract, it shall not relieve the Lessee of the obligation to pay any bonus due thereon to the Louisiana State Mineral and Energy Board, nor shall the Louisiana State Mineral and Energy Board be obligated to refund any consideration paid by the Lessor prior to such modification, cancellation, or abrogation, including, but not limited to, bonuses, rentals and royalties.

NOTE: No use of the surface of the leased premises may be used by Lessee, its successors or assigns without the prior written consent of Lessor which may be withheld for any or no reason. Except as otherwise expressly authorized in writing by Lessor, Lessee, its successors or assigns, may produce oil, gas and other minerals from the leased premises only by drilling from a surface location on other lands.

NOTE: Notwithstanding anything to the contrary herein contained, at the end of the primary term or any extension thereof by operations, if the Commissioner of Conservation of the State of Louisiana establishes a drilling unit which includes a part of the land herein leased, the production of oil, gas and other minerals from such unit shall maintain this lease in full force and effect only as to such portions of the leased land embraced in said pooled unit, and this lease shall expire as to that part of the land herein

leased not included in such unit, and Lessee, its successors and assigns agrees to relinquish by formal recordable instrument (in a form acceptable to Lessor) any portion of the leased land not included in a unit created by the Commission of Conservation while this lease is in effect.

NOTE: Upon the expiration of the primary term hereof or any extension thereof by operations, this lease shall automatically terminate and be of no further force or effect except as to all that part of the leased premises then included within the geographical boundaries of a producing unit duly established by governmental agency or authority having jurisdiction, from the surface of the earth to a depth of 100 feet below the deepest depth from which any well commenced during the primary term hereof on the leased premises or on lands pooled therewith is completed and from which there is production in paying quantities, such depth determination to be made on a unit by unit basis. Lessee and its successors and assigns agree to relinquish by formal recordable instrument (in a form acceptable to Lessor) all such depths as to which this lease is terminated. In the absence of units so established, this lease shall terminate except as to 40 acres around each producing oil well and 160 acres around each producing or shut-in gas well located on the leased premises, in as near the form of a square as is practicable, from the surface of the earth down to a depth of 100 feet below the deepest depth from which said well or wells are completed and from which there is production in paying quantities, such depth determination to be made on a well by well basis.

NOTE: The DeSoto Parish School Board will require a minimum bonus of \$3,250.00 per acre and a minimum royalty of 25%.
