

Emergency Rules

DECLARATION OF EMERGENCY

Department of Agriculture and Forestry Office of the Commissioner

Fluoroquinolones in Seafood (LAC 7:XXXV.511)

This Rule is being adopted in accordance with R.S. 3:2A, 3:3B, R.S. 3:4608 and the Emergency Rule provisions of R.S. 49:953 B of the Administrative Procedure Act.

The Commissioner of Agriculture and Forestry hereby adopts the following Emergency Rule declaring the country of China to be a geographic area where Fluoroquinolones is being used on or found in food producing animals or in products from such animals. The commissioner has reason to believe that China is a geographic area where Fluoroquinolones is being used on or found in food producing animals or in products from such animals because Mississippi and Alabama have found Fluoroquinolones in fish from China. Additionally, testing by the department has resulted in positive testing of fish from China for the presence of Fluoroquinolones.

Fluoroquinolones is a broad-spectrum antibiotic that has been restricted by the FDA for use in humans only. The FDA banned the extra label use of Fluoroquinolones in food producing animals in 1997 after determining that such use presented a risk to the public health. That ban is still in effect, see (21 CFR 530.41). "Extralabel use" means "actual use or intended use of a drug in an animal in a manner that is not in accordance with the approved labeling," see 21 CFR 530.3(a).

Since, the FDA has not established a safe level, tolerance level or safe concentration for Fluoroquinolones there is a zero tolerance level for Fluoroquinolones. Therefore, foods in which Fluoroquinolones are found are adulterated foods under the United States and Louisiana Food, Drug, and Cosmetics Acts.

Fluoroquinolones have been known to cause hypersensitivity or allergic reactions, toxicity-related reactions, and to an increased prevalence of infections due to antibiotic-resistant microorganisms. Hypersensitivity reactions can include life-threatening anaphylaxis, as well as urticaria, dermatitis, vomiting, and diarrhea. There is a significant chance that these reactions may be attributed to other factors, thereby causing a misdiagnosis, and subsequent mistreatment of a person's medical condition.

Toxicity can affect multiple organ systems and include peripheral neuropathies, seizures, phototoxicity, tendon rupture, fatal drug interactions and arthropathies in children. Fluoroquinolones should not be taken by pregnant and lactating women due to concern over the potential effect on a developing fetus.

The sale in Louisiana of seafood adulterated with Fluoroquinolones will expose Louisiana's citizens, including unborn children and nursing infants, to Fluoroquinolones and to the potential risks cited above, thereby presenting an imminent peril to the public's health, safety and welfare.

The Commissioner of Agriculture and Forestry has, therefore, determined that this Emergency Rule is necessary to include China as geographic area to which the provisions of Title 7 Part XXXV.511 of the Louisiana Administrative Code apply.

This Rule becomes effective upon signature, August 31, 2007, and will remain in effect 120 days, unless renewed by the commissioner or until permanent rules are promulgated.

The department now proposes to amend the May 20, 2007 Emergency Rule to further clarify the provisions governing the wage enhancement payment. This action is being taken to promote the health and well-being of waiver recipients by assisting providers to recruit and retain sufficient direct care staff to assure continued access to services. It is estimated that implementation of this emergency will be cost neutral for state fiscal year 2007-2008.

Effective September 20, 2007, the Department of Health and Hospitals, Office for Citizens with Developmental Disabilities amends the provisions of the May 20, 2007 Emergency Rule governing the reimbursement methodology for the Supports Waiver.

DECLARATION OF EMERGENCY

Department of Labor

Office of Unemployment Insurance Administration

Lost Wage Benefits for Domestic Violence Victims (LAC 40:IV.Chapter 5)

The Department of Labor (DOL) is exercising the emergency provisions of the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., to promulgate rules to enable Act 421 of the 2007 Regular Legislative Session.

The Emergency Rules are necessary to implement the "Lost Wage Benefits for Domestic Violence Victims Act" [R.S. 23:1770-1775] and to allow the Department of Labor to effectively administer this program effective August 15, 2007. A delay in promulgating these rules would have an adverse impact on the financial welfare of victims of domestic violence who are not eligible for regular unemployment insurance benefits under the provisions of R.S. 23:1601(1) and (2). Studies have shown that 96 percent of employed domestic violence victims experience some type of work-related problem due to the violence. Two to four million American women are abused each year. Domestic violence is a serious social concern which plagues society. Louisiana ranks second in the nation for homicides related to domestic abuse. The Louisiana Legislature has recently enacted domestic violence unemployment insurance legislation that will aid domestic violence victims in their ability to escape a violent relationship. It will further assist battered victims in obtaining temporary wage replacement when they must leave or are separated from their jobs because of domestic violence. Prior to this domestic violence unemployment insurance legislation, Louisiana had no vehicle in place to address the need for victims of domestic violence to receive unemployment insurance benefits. This

new legislation is a powerful weapon to help support victims in their efforts to ensure safety for themselves and their families when they confront a domestic violence crisis. It is imperative that the Department of Labor proceed expeditiously with the disposition of the domestic violence unemployment insurance program. Although domestic violence is not a new phenomenon, it is an imminent peril to public health, safety, and welfare that requires immediate action on operations, implementation, and use of funds now made available by the Act to provide required services in response to the immediate threat to the public. Failure to adopt this Rule on an emergency basis may prohibit battered victims from escaping violent relationships by removing their ability to sustain themselves and their children.

This Declaration of Emergency is effective August 15, 2007, and shall remain in effect for the maximum period allowed under the Administrative Procedure Act, R.S. 49:953(B)(1) et seq., or until regular rules are adopted in accordance with the Administrative Procedure Act, whichever occurs first.

School Readiness Tax Credits
(LAC 61:I.1903)

In accordance with the emergency provisions of R.S. 49:953(B) of the Administrative Procedure Act, which allows the Department of Revenue and the Department of Social Services to use emergency procedures to establish Rules, R.S. 36:474, R.S. 47:287.785, R.S. 47:295, R.S. 47:1511, and R.S. 47:6103, which allow the departments to make reasonable rules and regulations, the Secretary of the Department of Revenue and the Secretary of the Department of Social Services hereby find that imminent peril to the public welfare exists and accordingly adopts the following Emergency Rule. This Emergency Rule shall be effective upon approval of the House Committee on Ways and Means and the Senate Committee on Revenue and Fiscal Affairs or the passage of 60 days following publication whichever occurs first, and shall remain in effect until the expiration of the maximum period allowed under the Administrative Procedure Act or the adoption of the final Rule, whichever comes first.

This Emergency Rule is necessary to effectuate the intent of the legislature. The statutes in question clearly state that the Senate Committee of Revenue and Fiscal Affairs and the House Committee on Ways and Means have 60 days after publication of the Emergency Rule to take action on such Rule. Additionally, by statute any Rule needs to be effective by December 1 in order to be applicable to the tax year beginning January 1, 2008. A delay in promulgating this Rule would have an adverse impact on the entire school readiness tax credit program.

Chapter 19. Miscellaneous Tax Exemptions, Credits and Deductions

§1903. Administration of the School Readiness Tax Credits

A. General School Readiness Tax Credit Provisions

1. For purposes of the tax credits in R.S. 47:6101 through 6109, a child will be deemed to be five years of age or less if the child is five years of age or less on any day of the taxable year for which a credit is claimed.

2. The term "business" as used in this regulation means any for-profit or not-for-profit entity not including any individual operating in their personal capacity.

3. The credits provided for in R.S. 47:6101 through 6109 are applicable against individual income tax and corporation income and franchise tax but not against income taxes imposed on estates and trusts.

1. The average monthly number of children as used in R.S. 47:6105 is to be determined on a calendar year basis and the provider shall claim the credit for the tax year that includes December 31. The child care provider tax credit will be calculated based on the average monthly number of children participating full-time in the Child Care Assistance or Foster Care Program, from January to December of a calendar year, as follows:

a. full-time participation is considered when the Child Care Assistance or Foster Care Program pays for at least 12 days of service per child during the month; or

b. part-time participation is considered when the Child Care Assistance or Foster Care Program pays for at least 40 hours of service per child during the month; or

c. part-time participation is considered when the Child Care Assistance or Foster Care Program pays for at least 5 days but no more than 11 days of service per child during the month;

d. two part-time participants are considered one full-time participant for purposes of this calculation.

2. The Department of Social Services shall provide documentation to each qualifying provider of the average monthly number of children participating in the Child Care Assistance Program or in the Foster Care Program. If the provider has multiple sites, the Department of Social Services shall provide this information for each site. Every partner, member, or shareholder claiming the credit must submit or maintain a schedule showing how the total credit is allocated to each partner, member or shareholder.

5. The Department of Social Services shall provide information necessary for the Secretary of the Department of Revenue to determine and/or verify the provider's quality rating.

D. Credit for Child Care Directors and Staff

1. The Department of Social Services shall provide information necessary for the Secretary of the Department of Revenue to determine and/or verify the director and staff levels for earning the credit.

2. In order to claim this credit, the Department of Social Services, or their representative, must provide child care facility directors and staff members with a certificate no later than January 31 that states which level of qualification the employee meets according to the criteria established by the Department of Social Services. The taxpayer must submit or maintain the certificate as required by the Secretary of the Department of Revenue in forms and instructions.

3. Each child care facility director and staff member will also have to verify that he/she has worked at the same child care facility for at least six months in the calendar year, unless otherwise approved by the Department of Social Services.

4. Child care director and staff levels will have such meaning as provided by regulation issued by the Department of Social Services.

E. Business-Supported Child Care Credits

1. Business Child Care Expense Credit

a. In order for a business to claim this credit, the business must provide the Department of Revenue the following information: the name and Louisiana revenue tax identification number of the child care facility to or for whom the eligible expenses were paid or made, the amount and nature of qualifying expenses at each child care facility

as defined in R.S. 47:6102 and the child care facility's quality rating.

b. If the child care resource or referral agency is part of a larger charitable organization, only fees and/or donations made to the child care resource or referral agency division of that organization will qualify for this credit. For example, if Volunteers of America has a division that functions as a child care resource or referral agency, only fees and donations made to the division of that organization would qualify for the credit while all other donations to Volunteers of America would not.

c. The Department of Social Services shall provide to the Department of Revenue a list of qualifying child care resource or referral agencies for each calendar year.

§1907. Income Tax Credits for Wind or Solar Energy Systems

A. Revised Statute 47:6030 provides an income tax credit for the purchase and installation of a wind or solar energy system by a Louisiana homeowner or the owner of a residential rental apartment project located in the state.

B. Definitions

Charge Controller—an apparatus designed to control the state of charge of a bank of batteries.

Grid-Connected, Net Metering System—a wind or solar electric system interconnected with the utility grid in which the customer only pays the utility for the net energy used from the utility minus the energy fed into the grid by the customer. All interconnections must be in accordance with the capacity, safety and performance interconnection standards adopted as part of the Louisiana Public Service Commission's and the New Orleans City Council's, as appropriate, established Net Metering rules and procedures.

Inverter—an apparatus designed to convert direct current (DC) electrical current to alternating current (AC) electrical energy. Modern inverters also perform a variety of safety and power conditioning functions that allow them to safely interconnect with the electrical grid.

DECLARATION OF EMERGENCY

Department of Social Services Family Support

Child Care Quality Rating System (LAC 67:III.5115-5123)

The Department of Social Services, Office of Family Support, has exercised the emergency provision of the Administrative Procedure Act, R.S. 49:953(B) to adopt LAC 67:III Subpart 12, Chapter 51, Child Care Assistance Program, Subchapter C, Child Care Quality Rating System (QRS) effective, August 17, 2007. This Rule shall remain in effect for a period of 120 days.

Adoption of Subchapter C, Quality Rating System (QRS), is pursuant to the authority granted to the Department by the Child Care and Development Fund (CCDF). As a result of the devastation resulting from Hurricanes Katrina and Rita, child care centers in Louisiana have struggled to rebuild in affected areas. In other parts of the state, the centers have expanded their capacity to serve these displaced families. In an effort to guide child care centers as they restore critically

needed child care services, the agency has established a quality rating system which uses licensing as the foundation and sets a continuum of quality indicators focused in the social-emotional needs of children. The Quality Rating System will provide a mechanism by which child care centers can be assessed regarding the level of quality care given. The QRS will also provide a guide for parents to choose higher settings of child care beyond basic licensure and will offer a structure for child care centers to communicate the level of quality provided in their facility.

This Declaration of Emergency is preceded by and shall replace the Declaration of Emergency effected May 1, 2007, and published in the May 2007 issue of the *Louisiana Register*.

DECLARATION OF EMERGENCY

Department of Wildlife and Fisheries Wildlife and Fisheries Commission

2007-08 Deer Tagging and Validation

In accordance with the provisions of R.S. 49:953B and 967D(1) of the Administrative Procedure Act, and under the authority of R.S. 56:115 and 56:108, the Wildlife and Fisheries Commission hereby adopts the following Emergency Rule:

Whereas this commission previously established rules and regulations pertaining to mandatory deer tagging and validation statewide for the 2007-08 Deer Season, and because problems associated with hunters being able to obtain deer tags at the time hunting licenses went on sale on June 1, 2007 caused hunters to obtain licenses without tags or with improper tags, the department recommends that the mandatory requirements for statewide deer tagging and validation be suspended for the 2007-08, and that deer tagging and reporting be done on a voluntary basis for the 2007-08 deer season. Therefore, this commission hereby adopts the following regulation:

The Wildlife and Fisheries Commission suspends the rules and regulations requiring mandatory deer tagging and validation for the 2007-08 deer season. Tagging and reporting will be voluntary for the 2007-08 deer season.

This action must be taken by Declaration of Emergency since the commission's rules and regulations for the 2007-08 have been approved and submitted to the legislative leadership and the State Register, and insufficient time

remains to make these changes via standard rulemaking prior to the opening of the 2007-08 Deer Season.

This provision supersedes the corresponding provision contained in LAC 76:XIX.111 which was promulgated as a Rule and published in the *Louisiana Register* [LR 33:1382 (July 2007)].

Only snow, blue and Ross's geese may be taken under the terms of the Conservation Order, which allows the use of electronic calls and unplugged shotguns and eliminates the daily bag and possession limits. Daily bag limit 15, Possession limit 30

Snipe: November 3 - December 3

December 15 - February 28

Daily bag limit 8, Possession limit 16

Shooting Hours: One-half hour before sunrise to sunset, except at the Spanish Lake Recreation Area in Iberia Parish where shooting hours, including the Conservation Order, end at 2 p.m.

Extended Falconry Seasons for Ducks, Rails and Gallinules:

Statewide: November 3 - February 1

Sixteen days of the total season lengths for rails, gallinules and extended falconry seasons were used during the September teal season.

A Declaration of Emergency is necessary because the U.S. Fish and Wildlife Service establishes the framework for all migratory species. In order for Louisiana to provide hunting opportunities to the 200,000 sportsmen, selection of season dates, bag limits and shooting hours must be established and presented to the U.S. Fish and Wildlife Service immediately.

The aforementioned season dates, bag limits and shooting hours will become effective November 1, 2007 and extend through one-half hour after sunset on March 9, 2008.
